

INFORMATION ON THE DIPLOMAS ISSUED BY FOREIGN SECONDARY EDUCATION AND SPECIFIC EXAMINATIONS REQUIRED FOR APPLYING AS AN INTERNATIONAL STUDENT (2025/26)

COUNTRIES:

[Andorra](#) | [Australia](#) | [Austria](#) | [Brasil](#) | [Canada](#) | [Cape Verde](#) | [Chile](#) | [Estonia](#) | [France](#) | [Germany](#) | [India](#) | [Ireland](#) | [Israel](#) | [Italy](#) | [Lebanon](#) | [Luxembourg](#) | [Madagascar](#) | [Namibia](#) | [Nepal](#) | [Netherlands](#) | [Norway](#) | [Romania](#) | [Russia](#) | [Scotland](#) | [Slovenia](#) | [South Africa](#) | [Spain](#) | [Switzerland](#) | [Tunisia](#) | [Ukraine](#) | [United Kingdom](#) | [United States of America](#)

INTERNATIONAL DIPLOMAS:

[ABITUR](#) | [AICE Diploma](#) | [Baccalauréat Général](#) | [European School](#) | [GCE](#) | [IB Diploma](#) | [WASSCE](#)

- If your country, secondary education course, or exams completed are not listed, please contact us at admissions.porto@ucp.pt.
- If you did not take any exams, you have the option to take admissions exams at Universidade Católica Portuguesa - Porto. For more information, contact us at admissions.porto@ucp.pt.

LIST BY COUNTRY:

(If the secondary education course or exams you completed are different from that listed below, please also see the list by International Diploma below and, if necessary, contact us at admissions.porto@ucp.pt)

Andorra

- Diploma: **Batxillerat general**
- Name of the Exams to be submitted: **POB - Prova Oficial de Batxillerat**

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	It will be required a Portuguese terminal exam, as well as one of the following exams: Matemàtiques Científicotècniques (POB) / Matemàtiques Aplicadas a les Ciències Socials (POB)
Bioengineering	Matemàtiques Científicotècniques (POB) AND It will be required a Biology or Physics terminal exam.
Cinema	It will be required a Portuguese terminal exam, as well as one of the following exams: Matemàtiques Científicotècniques (POB) / Matemàtiques Aplicadas a les Ciències Socials (POB) AND Filosofia (POB)

Undergraduate Programme	Final Exam
Economics	Matemàtiques Científicotècniques (POB) AND It will be required an additional Economics, Portuguese, English, Physics, Geography, or History terminal exam.
Law	It will be required a Portuguese terminal exam, as well as one of the following exams: Matemàtiques Científicotècniques (POB) / Matemàtiques Aplicades a les Ciències Socials (POB) OR Filosofia (POB)
Liberal Sciences	Matemàtiques Científicotècniques (POB) AND It will be required an additional Biology, Physics, or Portuguese terminal exam.
Management	Matemàtiques Científicotècniques (POB) AND It will be required an additional Economics, Portuguese, English, Physics, Geography, or History terminal exam.
Microbiology	Matemàtiques Científicotècniques (POB) AND It will be required an additional Biology, Physics, or Portuguese terminal exam.
Nursing	It will be required a Biology terminal exam AND Matemàtiques Científicotècniques (POB)
Nutritional Sciences	It will be required a Biology terminal exam AND Matemàtiques Científicotècniques (POB)
Psychology	It will be required a Portuguese terminal exam, as well as one of the following exams: Matemàtiques Científicotècniques (POB) / Matemàtiques Aplicades a les Ciències Socials (POB) OR Filosofia (POB)
Sound and Image	It will be required a Portuguese terminal exam, as well as one of the following exams: Matemàtiques Científicotècniques (POB) / Matemàtiques Aplicades a les Ciències Socials (POB)

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt

Australia

Diploma: **Senior Secondary Certificate of Education**

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	It will be required a Portuguese terminal exam, as well as one of the following exams: Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced
Bioengineering	Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced AND Biology
Cinema	It will be required a Portuguese terminal exam, as well as one of the following exams: Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced
Economics	Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced AND Business Management
Law	It will be required a Portuguese terminal exam, as well as one of the following exams: Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced
Liberal Sciences	Maths: General Mathematics / Mathematical Methods / Specialist Mathematics AND Biology
Management	Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced AND Business Management
Microbiology	Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced AND Biology
Nursing	Biology AND Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced
Nutritional Sciences	Biology AND Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced
Psychology	It will be required a Portuguese terminal exam, as well as one of the following exams: Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced
Sound and Image	It will be required a Portuguese terminal exam, as well as one of the following exams: Maths: General Mathematics / Mathematical Methods / Specialist Mathematics / Mathematics Advanced

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt

Austria

Diploma: **Reifeprüfunzeugnis / Reifezeugnis**

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	It will be required a Portuguese terminal exam, as well as one of the following exams: Mathematik - Matura
Bioengineering	Mathematik – Matura AND It will be required a Biology or Physics terminal exam.
Cinema	It will be required a Portuguese terminal exam, as well as one of the following exams: Mathematik - Matura
Economics	Mathematik – Matura AND It will be required an additional Economics, Portuguese, English, Physics, Geography, or History terminal exam.
Law	It will be required a Portuguese terminal exam, as well as one of the following exams: Mathematik - Matura
Liberal Sciences	Mathematik – Matura AND It will be required an additional Biology, Physics, or Portuguese terminal exam.
Management	Mathematik – Matura AND It will be required an additional Economics, Portuguese, English, Physics, Geography, or History terminal exam.
Microbiology	Mathematik – Matura AND It will be required an additional Biology, Physics, or Portuguese terminal exam.
Nursing	It will be required a Biology terminal exam AND Mathematik - Matura
Nutritional Sciences	It will be required a Biology terminal exam AND Mathematik - Matura
Psychology	It will be required a Portuguese terminal exam, as well as one of the following exams: Mathematik – Matura
Sound and Image	It will be required a Portuguese terminal exam, as well as one of the following exams: Mathematik – Matura

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt

Brasil

- Diploma: **Certificado do Ensino médio e histórico escolar**
- Name of the Exams to be submitted: **Exame Nacional do Ensino Médio – ENEM**

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	Linguagens, Códigos e suas Tecnologias AND Ciências Humanas e suas Tecnologias OR Matemática e suas Tecnologias <i>(Minimum of 475 points in each component)</i>
Bioengineering	Matemática e suas Tecnologias AND Ciências da Natureza e suas Tecnologias <i>(Minimum of 475 points in each component)</i>
Cinema	Linguagens, Códigos e suas Tecnologias AND Ciências Humanas e suas Tecnologias OR Matemática e suas Tecnologias <i>(Minimum of 475 points in each component)</i>
Economics	Matemática e suas Tecnologias AND Ciências Humanas e suas Tecnologias OR Linguagens, Códigos e suas Tecnologias OR Redação <i>(Minimum of 750 points in each component)</i>
Law	Linguagens, Códigos e suas Tecnologias AND Ciências Humanas e suas Tecnologias OR Matemática e suas Tecnologias <i>(Minimum of 750 points in each component)</i>
Liberal Sciences	<i>Two of the following components:</i> Ciências da Natureza e suas Tecnologias OR Matemática e suas Tecnologias OR Linguagens, Códigos e suas Tecnologias <i>(Minimum of 475 points in each component)</i>
Management	Matemática e suas Tecnologias AND Ciências Humanas e suas Tecnologias OR Linguagens, Códigos e suas Tecnologias OR Redação <i>(Minimum of 750 points in each component)</i>
Microbiology	<i>Two of the following components:</i> Ciências da Natureza e suas Tecnologias OR Matemática e suas Tecnologias OR Linguagens, Códigos e suas Tecnologias <i>(Minimum of 475 points in each component)</i>
Nursing	Ciências da Natureza e suas Tecnologias AND Matemática e suas Tecnologias OR Redação <i>(Minimum of 475 points in each component)</i>
Nutritional Sciences	Ciências da Natureza e suas Tecnologias AND Matemática e suas Tecnologias OR Linguagens, Códigos e suas Tecnologias <i>(Minimum of 475 points in each component)</i>

PORTO

Undergraduate Programme	Final Exam
Psychology	Redação + Ciências Humanas e suas Tecnologias AND Ciências da Natureza e suas Tecnologias OR Matemática e suas Tecnologias <i>(Minimum of 500 points in each component)</i>
Sound and Image	Linguagens, Códigos e suas Tecnologia AND Ciências Humanas e suas Tecnologias OR Matemática e suas Tecnologias <i>(Minimum of 475 points in each component)</i>

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt

Canada

Diploma: **High School Diploma**

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	It will be required a Portuguese terminal exam, as well as one of the following exams: Advanced Functions
Bioengineering	Advanced Functions AND It will be required a Biology or Physics terminal exam.
Cinema	It will be required a Portuguese terminal exam, as well as one of the following exams: Advanced Functions
Economics	Advanced Functions AND English Language Arts (Grade 12)
Law	It will be required a Portuguese terminal exam, as well as one of the following exams: Advanced Functions
Liberal Sciences	Advanced Functions AND It will be required an additional Biology, Physics, or Portuguese terminal exam.
Management	Advanced Functions AND English Language Arts (Grade 12)
Microbiology	Advanced Functions AND It will be required an additional Biology, Physics, or Portuguese terminal exam.
Nursing	It will be required a Biology terminal exam AND Advanced Functions
Nutritional Sciences	It will be required a Biology terminal exam AND Advanced Functions
Psychology	It will be required a Portuguese terminal exam, as well as one of the following exams: Advanced Functions
Sound and Image	It will be required a Portuguese terminal exam, as well as one of the following exams: Advanced Functions English Language Arts (Grade 12)

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt

Cape Verde

- Diploma: ***Certificado do Ensino Secundário (3º ciclo)***
- Name of the Exams to be submitted: ***PGI - Prova Geral Interna***

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	Língua Portuguesa AND Matemática
Bioengineering	Matemática AND It will be required a Biology or Physics terminal exam.
Cinema	Língua Portuguesa AND Matemática
Economics	Matemática AND Língua Portuguesa
Law	Língua Portuguesa AND Matemática
Liberal Sciences	Matemática AND Língua Portuguesa
Management	Matemática AND Língua Portuguesa
Microbiology	Matemática AND Língua Portuguesa
Nursing	It will be required a Biology terminal exam AND Matemática OR Língua Portuguesa
Nutritional Sciences	It will be required a Biology terminal exam AND Matemática OR Língua Portuguesa
Psychology	Língua Portuguesa AND Matemática
Sound and Image	Língua Portuguesa AND Matemática

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt

Chile

- Diploma: **Licencia de Enseñanza Media**
- Name of the Exams to be submitted: **Prueba de Acceso a la Educacion Superior**

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	It will be required a Portuguese terminal exam AND An additional History, Mathematics, Drawing, History and Culture of the Arts, Descriptive Geometry terminal exam.
Bioengineering	It will be required a Mathematics terminal exam AND Paes Ciencias
Cinema	It will be required a Portuguese terminal exam AND An additional History, Mathematics, Philosophy, Drawing, History and Culture of the Arts, Descriptive Geometry terminal exam.
Economics	It will be required a Mathematics terminal exam AND An additional Economics, English, Portuguese, Physics, History or Geography terminal exam.
Law	It will be required a Portuguese terminal exam and an additional History, Philosophy, or Mathematics terminal exam.
Liberal Sciences	Paes Ciencias AND It will be required an additional terminal exam.
Management	It will be required a Mathematics terminal exam AND An additional Economics, English, Portuguese, Physics, History or Geography terminal exam.
Microbiology	Paes Ciencias AND It will be required an additional terminal exam.
Nursing	Paes Ciencias AND It will be required an additional terminal exam.
Nutritional Sciences	Paes Ciencias AND It will be required an additional terminal exam.
Psychology	It will be required a Portuguese terminal exam, as well as one of the following exams: Paes Ciencias
Sound and Image	It will be required a Portuguese terminal exam AND An additional English, Mathematics, Geography, Drawing, History and Culture of the Arts, Descriptive Geometry terminal exam.

If you have exams other than the listed above, please contact us at admissions.porto@ucp.pt.

Estonia

- Diploma: *Gümnaasiumi lõputunnistus*
- Name of the Exams to be submitted: *Riigieksamitunnistus*

Undergraduate Programme	Final Exam
Art, Conservation and Restoration	It will be required a Portuguese terminal exam, as well as one of the following exams: Ajalugu Geograafia
Bioengineering	It will be required a Mathematics terminal exam AND An additional Biology or Physics terminal exam.
Cinema	It will be required a Portuguese terminal exam, as well as one of the following exams: Ajalugu Geograafia
Economics	It will be required a Mathematics terminal exam AND Ajalugu Geograafia
Law	It will be required a Portuguese terminal exam, as well as one of the following exams: Ajalugu Geograafia
Liberal Sciences	It will be required two of the following exams: Mathematics, Biology, Physics, or Portuguese terminal exams.
Management	It will be required a Mathematics terminal exam AND Ajalugu Geograafia
Microbiology	It will be required two of the following exams: Mathematics, Biology, Physics, or Portuguese terminal exams.
Nursing	It will be required a Biology terminal exam AND An additional Mathematics, Physics or Portuguese terminal exam.
Nutritional Sciences	It will be required a Biology terminal exam AND An additional Mathematics, Physics or Portuguese terminal exam.
Psychology	It will be required a Portuguese terminal exam AND An additional Biology, Mathematics or Philosophy terminal exam.
Sound and Image	It will be required a Portuguese terminal exam, as well as one of the following exams: Ajalugu Geograafia
